

## What is the International Organization for Migration (IOM)?

❖ IOM is the leading international organization for migration. One of the ways we help migrants is by assisting those who want to return voluntarily to their country of origin (Assisted Voluntary Return, AVR).

## IOM can assist you in your voluntary return by:

❖ Providing you with relevant return information prior to departure through our helpline and information meetings held in Denmark;

❖ Organizing all your travel from Denmark to Iraq;

❖ Assisting you in transit and upon arrival;

❖ Arranging transport of your cargo from Denmark to Iraq. You can take two cubic metre boxes per adult and one cubic metre box per child;

❖ Paying you your Danish Immigration Service (DIS) reintegration grant in Amman;

**80 20 17 00.**
